

	TESS Mission Data	TESS Science Support Center	TESS Follow-up Program	TESS Collaboration Wiki	TESS Science Symposia	TESS Science Team Meetings	TESS Science Conference	TESS Mission Update Meetings	TESS Project Steering Meeting
	Data	Support Scientist Teams		Community Spaces	Talks and Conferences				
What is it?	Open access, free data for the community	NASA team provides support for research, including research funding, open source tools, and helpdesk for questions	Funded community program to obtain support observations such as time-series, imaging and spectra to validate exoplanets	Community space to post in prep publications to solicit collaboration and avoid duplication of effort	Typically two hours of science talks; Emphasis on Early Career presenters			Typically 1-2 days of mission update and science talks	Typically 1-2 days of meetings/discussions/ updates with the members of the organization chart
Location	MAST Archive	NASA Goddard Space Flight Center	World-wide effort	Online Wiki	Virtual Meeting	In person meetings at MIT, usually 10s of people	In person conference every few years, usually 100s of people	In person conference every few years, usually 100s of people	In person and hybrid meetings at GSFC or MIT
Who can use?	Anyone	Anyone can use tools and helpdesk, US PIs are eligible to apply for research funding	Anyone can use data, must agree to a publication policy	Anyone can post, must agree to a publication policy	Audience is typically TESS team and community			TESS team and community	Organization chart members (representatives; people funded by the mission)
How do I join?	-	-	<a href="https://tess.mit.edu/followup/apply-join-tfop/">https://tess.mit.edu/followup/apply-join-tfop/</a>	Contact the TESS Science Council for access: George Ricker (grr@space.mit.edu), Dave Latham (dlatham@cfa.harvard.edu), Sara Seager (profseager@mit.edu)	Any TESS Scientist	TESS Science Team Members	Any TESS Scientist	Advertised widely through TESS and PAG mailing lists	Not open to the community. Talks/updates from external groups can be solicited if necessary.
Publication policy	-	-	<a href="https://tess.mit.edu/wp-content/uploads/TFOPWG_PublicationPolicyv17.pdf">https://tess.mit.edu/wp-content/uploads/TFOPWG_PublicationPolicyv17.pdf</a>	<a href="https://tess.mit.edu/followup/data-submission-policies/">https://tess.mit.edu/followup/data-submission-policies/</a>	-	-	-	-	-
